81	Aluminium inspection Tag.	 <p>A metal inspection tag for a fire extinguisher. It features a grid for recording monthly inspections from 2017 to 2020. The months listed are JAN, FEB, MAR, APRIL, MAY, JUNE, JULY, AUG, SEPT, OCT, NOV, and DEC. The tag also includes fields for 'FIRE EXTINGUISHER' and 'INSPECTION RECORD'.</p>
82	Pressure guage 230 bar big	 <p>A circular pressure gauge with a brass fitting at the bottom. The dial has two scales: an outer scale in psi (0 to 200) and an inner scale in bar (0 to 230). The needle is positioned at approximately 100 psi. The gauge is labeled 'EN 837' and 'METER'.</p>
83	First aid box 25 persons	 <p>A small, rectangular first aid kit with a white top and red bottom. It features a prominent red cross symbol and the words 'FIRST AID' in red capital letters on the white surface.</p>
84	First aid box 50 persons.	 <p>A large, red plastic first aid kit with its lid open, revealing a variety of medical supplies. Visible items include several bottles of 'EMERGENCY EYE WASH', packets of 'FIRST AID' supplies, and other medical kits. The kit is organized in a red plastic tray.</p>
85	Fireman Axe.	 <p>A fireman's axe with a black handle and a silver metal head. The head is split into two curved blades, one on each side of the handle. The handle has some text on it, including 'FIREMAN'.</p>
86	VALVE DCP WITH DIP TUBE	 <p>A red-handled valve assembly with a silver metal body and a dip tube. The red handle is attached to the side of the valve. The dip tube is a long, thin metal rod extending from the top of the valve.</p>
